

AS Art

Theme question – Distorted.

You will need to create a ideas Journal to give your self a head start around the theme question this could include:

Photographs, sketches, notes, media experiments, mind maps, artist research, etc....

Do not narrow your ideas make sure you explore the theme fully, think outside the box, you don't have to take the theme too literally.

www.art2day.co.uk - great for artists. (you may use my password – record)

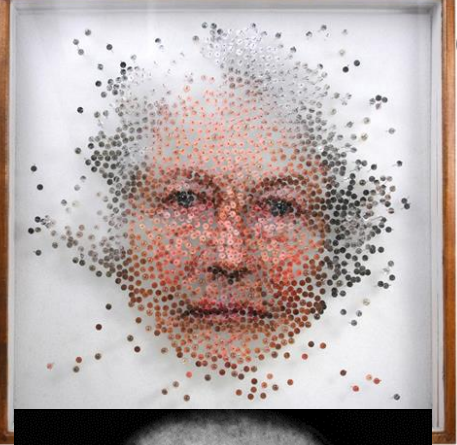

www.studentartguide.com - Lots of really good art blogs and ideas.

www.saatchigallery.com – good for contemporary artists.

www.thisiscolossal.com – visual arts blog

Pintrest – great for ideas and research.
