

## Year 11 into 12 Sociology Summer work

A <https://www.youtube.com/watch?v=YnCJU6PaCio>

For each question, write a paragraph.

1. What did Comte want to achieve? What would be the advantage of such an approach?
2. How can sociology be understood as being “big and small”?
3. “Seeing the general in the particular. Seeing the strange in the familiar.”
4. Describe your social location. I want at least 10 criteria.
5. Identify 3 groups that could be understood as being marginalized in contemporary UK society.
6. How powerful are you?
7. Is inequality inevitable?
8. What was the historical context of the rise of sociology?
